

# PLAYBOOKS

**We connect experts and solutions to workforce needs and challenges.**

One of NavalX's missions is to find, share and facilitate the rapid adoption of proven agility enhancing methods that are ready for implementation, have broad applicability and are likely to scale.

Each Playbook's content is overseen by a workforce subject matter expert, who perfected the tool or method and can provide mentorship to fast followers.

## TARGET AUDIENCE

Marines  
Sailors  
DON Civilians  
Program Offices  
SYSCOMS
